#### 5720 - **STUDENT ACTIVISM**

It is the policy of the Board to allow students to express opinions and ideas, take stands, and support policies, publicly or privately, orally and in writing. Students may be given this opportunity for expression through established school media. Such expression should not interfere with the educational program or present a health or safety hazard, or violate Board policy. Students may advocate change of law or school regulations and pursue their advocacy through lawful means.

Students may not use obscenity, slanderous or libelous statements, or disruptive tactics, or advocate violation of the law or school policies or guidelines. ~~(See Policy 5520 — Disorderly Conduct)~~
