

Lincolnshire-Prairie View School District 103

Memo

To: Board of Education
From: Scott Warren, Ed.D.
Date: June 18, 2025
Re: Approval of Sabbatical for Teacher for 2026-2027

The Board received a request for a sabbatical for a teacher to complete an internship for a social work degree during the 2026-2027 school year. The sabbatical would provide the teacher an opportunity to receive their social work degree while serving the internship within the district, providing social work services to students. This opportunity would benefit students, the district, and the teacher conducting the internship. I recommend the Board approve the sabbatical as presented.
