

No Interdistrict Transfers

A nonresident student shall not be permitted to attend District schools except as provided below.

Exceptions

A resident student who becomes a nonresident during the course of a semester shall be permitted to continue in attendance for the remainder of the semester.

A student who has completed his or her junior year and becomes a nonresident shall be permitted to continue in attendance for his or her senior year tuition-free. Siblings of the senior student shall also be allowed to continue enrollment through the end of the school year tuition-free.

A student who enrolls in the school district using a builder's contract for a new residence in the district must show completion of the home within the semester in which they enrolled to remain enrolled in the district.

Children of Nonresident Employees

Any nonresident full-time District employee or any part-time professional District employee may request that his or her child be admitted into District schools by filing an application with the Superintendent or designee. Transfers shall be granted for one regular school year at a time, on a tuition-free basis.

Factors

In approving transfers, the Superintendent or designee shall consider availability of space and instructional staff and the student's disciplinary history and attendance records.

Transfer Agreements

A transfer student shall be notified in the written transfer agreement that he or she must follow all rules and regulations of the District. Violation of the terms of the agreement may result in a transfer request not being approved the following year.

Appeals

Any appeals shall be made in accordance with FNG(LOCAL) and GF(LOCAL), as appropriate.
