Dear School Board Members and Superintendent Sipe:

It has been a pleasure working for the Umatilla School District. My last day with the district will be June 30, 2024. When I first came to the district eleven years ago, I never imagined I would experience so many rich opportunities and positive outcomes; for this I thank you.

When asked what my favorite thing about Umatilla is and why I would drive over two hours a day round trip to work, I respond Umatilla has heart. The staff, students, parents, board and community members work tirelessly with a heart open to connection, to courageously encourage support and embrace each other, as they work toward success. It has been an honor to work collaboratively with such wonderful stakeholders in Umatilla, who put people first, make such lasting imprints, and make things happen for our kids. Thank you for allowing me to be part of it.

Know, I have come to know and care about our students, staff, and families. The Umatilla "heart" coupled with its grit has paved the way for many new successes broaching on the horizon. This is an exciting time. Even though COVID seems like a distant memory, we as educators are still seeing the effects of its impact. I am not proud enough to believe everything I did as a leader was perfect, though decisions were made to produce positive outcomes and create more positive experiences for kids, staff, and families. I am proud of the growth, success, and difference that my team made under my leadership. Thank you for the opportunities for professional and personal development that you have furnished me over the past 11 years. I have enjoyed working for the Umatilla School District and appreciate the support provided to me, during my tenure.

Even though I will not be in Umatilla, it will always be in my heart and I will always be a strong supporter of the district. I look forward to watching the continued growth and success of the district and the students, staff, and community I consider family.

If I can be of help during this transition, please let me know.

Fondly,

Julie A. Hunt

Dear Heidi, Nicole, and Josy:

Just yesterday, I mailed out the retirement forms to PERS. I am officially retiring. My retirement date is listed as July 1, 2024. My last work day will be June 7, 2024.

Thank you for allowing me to work as long as I have. I have enjoyed seeing the many changes through the years. As a Umatilla student from 1959 to 1971, my times were much different. The children have been a blessing. The staff is the best. My bosses are amazing! It's hard to believe we have had so much in this tiny spot on the map. I will not get to work in the new building, but maybe I can visit when it is completed.

Thank you for the many things I have learned while working in the schools. I wish you all the very best as you continue going on to new things.

Sincerely yours,
Anne E. Tankersley

Coaches Resignation Letters

To whom it may concern,

I am resigning from the position of head tennis coach effective at the conclusion of the spring 2024 season. At this time I need to step back in order to give more time and attention to my family. My children can't remember a time when spring wasn't dominated by my coaching schedule. They are beginning to want to do other activities that will take up more of my time and attention.

It has been my pleasure to work in this position for 8 memorable years. The student-athletes and other coaches that I have worked with have been wonderful and I'll cherish our time together. I appreciate all of the support that I received from Dan and Scott as athletic directors and the rest of the administration that provide a great environment for our athletes to be successful.

While I will no longer be the head coach, it is my desire to see the program continue to be successful. If the next coach would like to retain me as a part-time volunteer assistant, I would be open to that possibility.

Sincerely,
Eric Lougee
