To: Interim Superintendents of School District 152:

Dr. Lela Bridges-Webb

Dr. Margaret Longo

Dear Superintendents,

It is with deep regret that I am writing this letter requesting that my retirement date be changed from May 25, 2018 to, a more recent date, April 9, 2018. Nothing would please me more if I were able to complete the entire school year; but unfortunately, my failing health just won't permit it.

Again, I want to thank you in advance for allowing me the opportunity to serve in this district for 20 years and for making School District 152 my home away from home for that length of time.

Sincerely,

Adrienne L. Miller
