### Unity Soar To School Plan Reviewed

Unity School District's Soar To School Plan remains focused on providing in-person learning for students. With practical precautions, the plan is focused on making this year a safe, quality, traditional, in-person learning experience for students. The Soar To School Plan meets the criteria for Elementary and Secondary School Emergency Relief (ESSER) funding. It is important to note that it is possible some aspects of the plan may change if a specific order is directed from the WI DPI or DHS. The plan will continue to be evaluated and adjusted on an ongoing basis by the district administration.

### Staffing Shortage Is Significant Issue for Schools

Unity School District, like other districts throughout the region, is feeling the effects of a staffing shortage in many categories. The lack of substitute employees is one issue that is affecting programs. Substitute teachers, educational assistants, food service, maintenance, custodial, and child care positions are open. The District is willing to train and help applicants obtain licensure for any substitute positions.

Kobussen Transportation is also seeking bus drivers. They are offering incentives for new employees and will provide training to help applicants obtain their CDL school bus license.

Interested individuals are encouraged to contact the school district office at (715) 825-3515 or Kobussen at (715) 330-4234.

### Student Open Enrollment Opens Soon for 2022–2023

#### What is Public School Open Enrollment?

Wisconsin's inter-district public school open enrollment program allows parents to apply for their children to attend a school district other than the one in which they live. Applications may be submitted to up to three nonresident school districts.

#### Who may participate in open enrollment?

Pupils in 5-year-old kindergarten to grade 12 may apply to participate in open enrollment.

Open enrollment for prekindergarten, four-year-old kindergarten and early childhood education is limited. Parents should call their resident school districts to find out if their preschool-aged children qualify for open enrollment.

#### How and when may parents apply?

The open enrollment application period for the 2022-23 school year is from February 7-April 29, 2022. The application period closes at 4:00 p.m. on April 29, 2022.

Parents may apply online at <https://dpi.wi.gov/oe>.

### COVID Testing Clinic is Important Part of Plan

Unity School District's **free, voluntary COVID-19 Testing Program for students and staff** has been an important component of Unity's Return to School Plan. The program is being offered free in collaboration with funding from the WI DHS. Regular voluntary testing helps protect our students, staff, family members, and others who are not vaccinated against COVID-19 or are otherwise at risk for getting seriously sick from COVID-19.

Through this program, COVID-19 cases are identified quickly and early, which can help us stop an outbreak before it happens. This helps to keep students in the classroom and able to take part in the school activities they love.

Already this school year, over 1,400 COVID tests have been administered at the Unity COVID testing site. The clinic is located next to the high school office. Results are available in as little as twenty (20) minutes.

To learn more or register your child for a test, please call x3010 or email [rschmid@unity.k12.wi.us](mailto:rschmid@unity.k12.wi.us). Your completed consent form can also be emailed to [rschmid@unity.k12.wi.us](mailto:rschmid@unity.k12.wi.us).

*\*It is important to note that your child will not be tested for COVID-19 without your permission.*
