PACE Outreach

PACE continues with in-person activities, focusing on quarterly activities for each learning center. The KLC just finished their Robotics program this past November. The ALC is hosting a workshop for parents with questions about work samples. The MLC will be hosting a bowling event December 16.

PACE just had their advertising year-end summary meeting and began conversations for the 23-24 advertising campaign. A proposal from Fine Point is forthcoming.

School Improvement

Teachers continue to work on completing individual ACES training. Our principal will be attending a virtual conference on RTI/MTSS in January, in line with our goal of supporting student academic success through MTSS. PACE staff continue to meet monthly to review school goals, further expand curriculum options, and develop ways to help our students and families.
