

MEMORANDUM OF UNDERSTANDING

This Agreement is made this _____ day of _____, 2021 by and between the City of Waterville, hereinafter identified as “City,” and the Waterville-Elysian-Morristown School District, hereinafter identified as “the District.”

Whereas, the City has a water tower located within the corporate boundaries of the City of Waterville, with space available for a “repeater” telecommunications system; and

Whereas, the District is in need of installation of a “repeater” telecommunications system so as to provide effective radio communication between the School and its fleet of busses and agents and employees of the District; and

Whereas, the City will allow the District to install its “repeater” system in, or on, the Water Tower under the following terms and conditions:

1. The District will install the same only with prior written consent and approval of the City. The District shall provide an installation plan that consists of shop drawings showing the setup and installation plan prior to installation.
2. The City will provide access to the tower with approval from the City when feasible and reasonable to do so. Access to the tower will not be unreasonably denied.
3. The District is responsible for any and all installation, maintenance, and removal costs, as well as any damage to the tower, associated with the “repeater” system.
4. The “repeater” system shall, upon ninety (90) days’ written notice to the District be decommissioned and removed from the tower. Any removal costs shall be paid and borne by the District.
5. The District shall pay \$100 per month, due and payable on the first day of each month hereafter, as and for rent for the tower space needed for the “repeater” system.

Approved by The District:
