BACKGROUND:

AP Scholars are high school students recognized by the College Board for exceptional academic achievement on Advanced Placement (AP) exams. These awards recognize students who demonstrate college-level performance while still in high school.

There are several levels of AP Scholar distinctions. One recognition is the **AP Scholar with Honor** award, given to students who earn scores of **3 or higher on four or more of these exams** and receive an **average score of at least 3.25 on all AP Exams** taken.

This year, Brownsville ISD proudly recognizes **40 AP Scholars with Honor**, marking a **15% increase** compared to the 2024 AP exam results.
