Special Instructions

- Redact any/all student identifiable information within the waiver application and any attachments.
- Attach most current LEA Board Agenda or current Board Resolution delegating superintendent authority to approve waivers.
- Provide applicable supporting documentation regarding the student's qualifying condition(s).
- Waivers are on an individual case-by-case student basis and cannot apply to multiple students.
- For information on the differences between Remote Conferencing and Remote Homebound, please review Section 12 of the Student Attendance Accounting Handbook (SAAH).

General Questions

1. Give a brief narrative description of the requested waiver.

Denton ISD is requesting a waiver to serve a student remotely for homebound services while the student is receiving radiation treatments in the hospital.

2. Cite the section(s) of the Texas Education Code or the Texas Administrative Code that the district or campus wishes to waive.

In person instruction per SAAH 3.7.3 Funding Chart

3. Describe the plan to be implemented, if the waiver is granted.

The homebound teacher will remotely meet with the student, as needed, when the student cannot meet face to face due to radiation treatments and a compromised immune system. The teacher will assist the student in communicating with teachers on a daily basis.

4. Please explain how the school district or campus will evaluate the impact of the waiver towards meeting the district’s or campus’ goal.

The campus will evaluate the impact of the waiver through the student's progress on grades and the STAAR exams taken during the spring semester.
