**RESOLUTION RELATING TO REVOKING THE EXISTING REFERENDUM
REVENUE AUTHORIZATION OF THE SCHOOL DISTRICT, APPROVING A NEW
AUTHORIZATION, AND CALLING AN ELECTION THEREON**

BE IT RESOLVED by the School Board of Independent School District No. 877, State of Minnesota, as follows:

1. The Board hereby determines and declares that it is necessary and expedient for the school district to revoke its existing referendum revenue authorization of \$119.87 per adjusted pupil unit and to replace that authorization with a new authorization of \$1,069.87 per adjusted pupil unit. As provided by law, the ballot question must abbreviate the term "per adjusted pupil unit" as "per pupil." The additional revenue will be used to finance school operations and the property tax portion thereof will require an estimated referendum tax rate of approximately 0.20290% of the referendum market value of the school district for taxes payable in 2019, the first year it is to be levied. The proposed referendum revenue authorization would increase each year by the state-determined rate of inflation and be applicable for ten (10) years unless otherwise revoked or reduced as provided by law. For this purpose, the state determined rate of inflation shall be the annual inflationary increase calculated under Minnesota Statutes, Section 126C.17, Subdivision 2, paragraph (b). The question on the approval of this referendum revenue authorization shall be School District

Question 1 on the school district ballot at the special election held to approve said authorization.

If the new referendum revenue authorization is approved by the voters of the school district, the existing \$119.87 per adjusted pupil unit shall be revoked effective for taxes payable in 2019.

2. The ballot question specified above and herein shall be submitted to the qualified voters of the school district at a special election, which is hereby called and directed to be held in conjunction with the state general election on Tuesday, November 6, 2018.

3. Pursuant to Minnesota Statutes, Section 205A.11, the precincts and the polling places for this special election are those polling places and precincts or parts of precincts located within the boundaries of the school district which have been established by the cities or towns located in whole or in part within the school district. The voting hours at those polling places shall be the same as those for the state general election.

4. The clerk is hereby authorized and directed to cause written notice of said special election to be provided to the county auditor of each county in which the school district is located, in whole or in part, and to the Commissioner of Education at least seventy-four (74) days before the date of said election. The notice shall specify the date of said special election and the title and language for each ballot question to be voted on at said special election. Any notice given prior to the date of the adoption of this resolution is ratified and confirmed in all respects.

The clerk is hereby authorized and directed to cause notice of said special election to be posted at the administrative offices of the school district at least ten (10) days before the date of said special election.

The clerk is hereby authorized and directed to cause a sample ballot to be posted at the administrative offices of the school district at least four (4) days before the date of said special election and to cause two sample ballots to be posted in each polling place on election day. The sample ballot shall not be printed on the same color paper as the official ballot.

The clerk is hereby authorized and directed to cause notice of said special election to be published in the official newspaper of the school district, for two (2) consecutive weeks with the last publication being at least one (1) week before the date of the election.

The notice of election so posted and published shall state the question to be submitted to the voters as set forth in the form of ballot below, and shall include information concerning each established precinct and polling place.

The clerk is hereby authorized and directed to cause a notice of the election to be mailed to each taxpayer in the school district at least fifteen (15) but no more than thirty (30) days prior to the date of the special election. The notice shall contain the required projections and the required statement specified in Minnesota Statutes, Section 126C.17, subdivision 9, paragraph (b). The clerk is also directed to cause a copy of this notice to be submitted to the Commissioner of Education and to the county auditor of each county in which the school district is located in whole or in part at least fifteen (15) days prior to the day of the election.

The clerk is authorized and directed to acquire and distribute such election materials and to take such other actions as may be necessary for the proper conduct of this special election and generally to cooperate with state, city, township and county election authorities conducting the state general and other elections on that date. The clerk and members of the administration are authorized and directed to take such actions as may be necessary to coordinate this election with those other elections, including entering into agreements or understandings with appropriate municipal and county officials regarding preparation and distribution of ballots, election administration and cost sharing.

5. The clerk is further authorized and directed to cooperate with the proper election officials to cause ballots to be prepared for use at said election in substantially the following form, with such changes in form and instructions as may be necessary to accommodate the use of an optical scan voting system:
