

National Convention Information

October 31-November 3 in Indianapolis

I will be taking 8 students (4 boys, 4 girls), we will be departing on Tuesday Oct 31 at 11:30AM and return mid afternoon/early evening on Friday November, 3rd.

We will be doing several tours on the way down and while we are in Indianapolis, these are still pending at the current moment! We are hoping to visit Old Fashion Popcorn Store and Beasley Orchard.

We will also be attending several convention sessions, with motivational speakers, we will visit the career/college expo where students will have several hours to explore and talk with various colleges and industry professionals, the students will also attend workshops geared towards leadership, promoting agriculture and numerous different topics.

While on this life changing opportunity students will get to meet and build friendships with other FFA members from across the nation.

National FFA has aligned Convention with learning standards. Here is the link for those.
