**Subject: Leavitt Group Health Insurance Proposal for 2020-2021**

**Description:** We are pleased with the renewal rate for next year – a month ago the renewal rate was looking like 24% since the claims went down for the month of March it helped our renewal rate tremendously. Leavitt Group Insurance has negotiated a 5% increase instead on our behalf. We are asking the board to approve the 5% increase for Browning Public Schools Health insurance costs. Enclosed you will find the memo and information. 5% is a \$9.21 additional cost per certified employee and \$8.07 additional cost per classified employee.

**Financial Impact: \$5,147,320.00** (5% is additional \$50.38 per person for District cost for certified employees and \$51.52 per for district cost for classified employees. Total Health Insurance cost is \$5,147,320 for the District.)

**Funding Source (Budget/grant, etc.): Impact Aid, General Fund and grants.**
