Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?

Fleming MS math teacher, Vicki Boyer, is requesting permission to attend a math conference in San Diego, CA April 3-6, 2019. The conference is through National Council of Mathematics Teachers.

Provide history/background information on your proposal:

A district and school goal is to increase student math scores. This conference focuses on: Assessment: Eliciting and Using Student Thinking
Building on Students' Strengths: Practices That Challenge, Engage, and Empower
Professionalism & Advocacy
Beyond the Classroom Walls: Empowerment, Access, and Equity
Creating Inclusive Classrooms: Meeting the Needs of Each and Every Student
Building Mathematical Knowledge for Teaching
Enhancing Mathematical Thinking through Reading, Writing, Speaking, and Listening

List the advantages of your proposal:

Vicki will be able to bring information math and share with colleagues in her MS math PLC group; in addition to other district colleagues at our math collaborative meeting. Vicki also received a scholarship from the Oregon Council of Teachers of Mathematics to cover conference registration, flights, and hotel costs.

List possible disadvantages of your proposal:

Cost of food coverage and a teaching sub for 2 1/2 days is needed

List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?
