After careful review of the bidders' qualifications and reference information provided to me by your staff, for CSP 026-2007, I recommend, for your consideration, based on ability to perform or provide the needed services and materials to the district, in no particular order:

MEMORANDUM

TO : Ms. Cordelia Flores
Director of Purchasing

FROM : Adalberto Ramirez
Director of Food Service

SUBJECT : RFP NO. 019-2007
INSPECTION AND MAINTENANCE OF FIRE
EXTINGUISHER AND ANSUL FIRE SUPPRESSION
SYSTEMS

DATE : September 5, 2007

We have reviewed the tabulation of RFP No. 019-2007 Inspection and Maintenance of Fire Extinguisher and Ansul Fire Suppression Systems. Based on the tabulation sheet provided by the Purchasing Department, we recommend that Section II on the Request for Proposal be awarded to **Automatic Fire Systems (AFSCO)** as the lowest bidder meeting specifications.

This proposal is for three years renewable annually. Next year will be the first year of the proposal.

The justification for this purchase is that the City of Laredo requires that automatic fire suppression systems be installed wherever there is the possibility of grease fires.

Purchases for these services are in the 2007-2008 budget.

If you have any questions, please contact us.
