

JACKSON

“I love SSLAC because I get to help out the school and make big decisions. I want to make HMS a better place by cleaning up the fields and tidying up the hallways.

That is why I love SSLAC and Highland so much!”

Middle School Student Leadership Summit

- We will meet with 100 other middle school students from Lake County
- We are looking to practice our leadership skills, bring ideas back to our school and learn from other schools
- The application will be sent out to the student council and SSLAC on Tuesday
- The meeting will be hosted at the Lake County Regional Office of Education
- A leadership coach will be coming to facilitate

Updates from HMS

- IAR ELA Testing took place last week
 - The tests went well
 - Mrs. Thompson helped prepare us prior to testing
 - The schedule during the week has been changing to accomodate testing
 - The timing of testing in the day has been great. I like getting it done in the morning and I think it would be less stressful to have all the tests in one day.
