Exponentially improving outcomes for schools!

Ms. Rappold,

Thank you for considering Schools Cubed to submit a proposal that would increase the literacy leadership within your district. Schools Cubed strongly believes and has much evidence to support that an increase in the ability of your school leadership will ultimately increase the overall student outcomes in literacy in the Browning School District.

Overview and Proposed Description for Increased Literacy Leadership in the Browning School District for the 2024-25 School Year

We are pleased to present a proposed overview of our work with you for the 2024-25 school year. We hope that we have captured your thinking on how we will work to support Browning School District. We have outlined an approach that will: Continue literacy support to Browning Elementary.

Proposed Model

We will continue the implementation model at Browning elementary school. The number of days that Browning Elementary School will receive our services is outlined below.

Associated Costs

Topic/Component	Cost (\$2,150 a day for virtual visits)
4 days of virtual Leadership Coaching and 4 days of virtual Intervention Coaching	8 days of virtual visits = \$17,200
Total:	\$17,200

Conclusion

Thank you for allowing us to present this proposal. We are excited about the opportunity to continue our work with you and are confident that we can help you reach your literacy outcomes.
