Principal's General Narrative:

Our results of the 1st round of STAAR Assessments is a reflection of the hard work put forth by our 5th grade students, their parents, faculty and support staff. We await results on our 3rd, 4th, and 5th (science) grades. Our students continue to receive and participate in rigorous instruction whether in preparation for the second administration of STAAR or for the next grade level. Thank you for your continued support.

Respectfully,

Alma Gutierrez
