Student Check Out Procedures

Procedures at Westfield will remain the same as they have been for several years. Students are only allowed to leave the building with either parent/guardian and/or office permission. Parents/guardians can either use the outside buzzer or call us by phone to let us know they would like to pick up their child and then use the buzzer to let us know they are here. In all situations, methods to insure that students are leaving the building with those authorized by parent/guardians.

School Calendar Survey Results

The results are in! In October, parents and staff were surveyed to determine when they would like to begin the upcoming school year and when winter break should be placed in the upcoming calendar. The results will be presented at the meeting and will then be placed on the website for all visitors to review.
