By Nate Vidlak.....I would make it illegal to smoke, do drugs, alcohol and too much beer. I would also keep our country clean by sending security people out to help the environment by making sure people don't litter. I would try to be a good war leader by having good strategies and choosing the right people to be in the war. I would lower taxes to 4.49. I would make money by being president, because you make A TON of money being president. I would make new jobs by gathering up people and telling them what to do. I would pay them certain amounts of money for the jobs they do. Those are the things I would do if I was president.

Kaitelynn BiggsI would help school playgrounds by building a new ride for children. I would tie ropes to the trees to swing on. At other schools I would make a new ride that they don't have already. I love being President.

By Zack Alderman.....I would make new houses for the poor people that need the houses. I would have people who needed a house send me their names and I would pick some. I would make more schools to make more kids to learn. I would enjoy being president.

By Susannah Moore.....I would cut down trees to make paper. Then I would sell it to make money. I would give the money to poor people. That's why I want to be president.

By Theo Drake.....I would give poor people money so they can buy food for winter and summer to stay alive. I would give people money so they can buy water and to hopefully have enough money so they can buy shoes. I would give them a job then they will make more money. Those are some of the things that I would like if I was president.

By Danny Schreck.....I would make taxes go down because some people can't afford them. I can still pay the governor by printing more money. I would make a cleaner country so the animals will stay alive. I would give the poor more money. That is what I would do if I were president.

By Hannah Reyes.....I would build houses for the people who don't have any. I would do that so people don't get cold and freeze in the winter. I would lower taxes. I would lower taxes for the people that don't have that much money. I would clean the country. I would do that by not letting people drop their cigars on the ground and make a law that people need to pick up their own garbage to make the country clean.

By Brian Musack..... I would lower taxes down. I would do it because some people might not have enough money to pay for them. Also I would give the schools money so they can learn because some schools might use electronics to help the children learn. Another thing I would do is give the poor food and money. I will give food to them because they can't afford food. I will give them money because they can't afford stuff to help themselves. I would give the military money because if there is a war they will be prepared for it. That is what I would do if I were the president.

By Coby Riches.....I would not allow people to smoke. I would do that because sometimes people throw their used cigarettes onto the ground. If animals ate the cigarettes, they would die. I would do that by telling everyone that if they smoked, they would owe \$500. The money would make more schools and stores and markets and stuff. That is what I would do if I was president.

By Timothy Cottrell.....I would shut down bars because you or your friends can get drunk. Some people bring drugs in their cars. It's bad. I would stop it by having cops everywhere until they stop bringing drugs in their cars. I like being president.

By Clay Dummer.....I would give schools money for the teachers. I would give money to the poor and make higher taxes for the rich. I would shut down bars. I would make Oregon a better place and make more jobs. If you are wondering how I would make new jobs. I would get more money to people to work for me to pick up garbage.

By Ilei Goodnow.....I would give money to the poor. I'd give food so they wouldn't have to eat out of a garbage can. I'd make people pay money for littering. I'd make people pay money for drugs and cigarettes too. That's what I'd do if I were president.

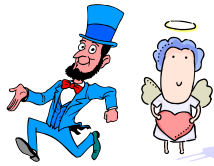

By Sierra Ott.....I wish I could give people something to eat. I'd give them more jobs to get more money and lower down the bills. I would lower down taxes. I would build more jails and hire more people. I would build more housing for everyone and make sure that everyone follows the laws. That's why I want to be president.

By Arianna Butts.....I would give the poor money so they can get a house for shelter from the storms. Then they wouldn't get hurt. I would give them clothes so they are not cold. I will also have the people follow the rules. If I was president I would help the environment by cleaning up the country.

By Ollie Dybala.....I would make the U.S. cleaner. I would give the schools more money to get more property so the schools could have more grades and would have healthy food. I would get the money from candy factories so; our country would be healthier. I would make more dairy foods. I would take corn syrup out of foods so people do not get cure for cancer. I would lower taxes by five dollars. I would make sure people do not smoke or do drugs. I would send out police to make sure nobody is smoking. I would give the poor pots and dishes so they don't have to eat off garbage scraps. I would give teachers more money because nobody knows they work really hard every day. I would put more security on banks by putting bullet-proof built-in cameras so banks don't lose people's money. That is what I would do for the U.S. if I were president.

By Ethan Reyes.....I would give money to schools and poor people. I would pay people for cleaning our country. I would get more money by making more taxes for the rich people with fancy shoes. I would even give poor people food that I have. I would work by doing the work I need to do to make money to get things for people that they need like pots and pans. I love being president.

By Kali Linn.....I would give poor money and food. To give the poor money I would take money out of my bank. I would make people pay money if they make messes on walls. Whoever smokes I will make them pay. I would make new jobs by gathering people and telling people what to do. That's what I would do if I were president.

Facts of the Day for February

Dear Williams Community,

The Facts of the Day are a routine part of our school days. They can be seen in every classroom and in the gym. Students are increasingly becoming more fluent in basic facts. Place this calendar in a prominent place. Students are excited to see who can correctly get the facts first. Please remember that the addition facts are especially good for all grades, while the multiplication facts are intended for grades 3-5. We appreciate all of your support!

FROM THE OFFICE: It is a federal mandate that all students attend school at least 92% of the school year. This translates to missing no more than twelve days over the whole school year. Tardiness or students who leave early can also be considered absent for a half day if more than 50% of the day is missed. Be aware that frequent tardiness can also severely impact a student's school success. Most teachers begin the day by reviewing the day's events and by helping students to know about any special events that will be occurring that day. This sets the tone for the day in the class-room. Often teachers begin teaching in the area of reading. This is because reading is one of the most difficult skills to obtain, and we devote a great deal of learning time to helping students become successful readers. Students who are frequently tardy or leave early often miss both the opening of class, instruction in reading, and explanations regarding homework. This has a very negative impact on these students. Many of the students will experience set backs in their academic progress due to tardiness or leaving early. It is important that parents recognize the importance of getting their child(ren) to school on time and avoid leaving early. We are here to help, so if we can be of assistance with a chronic attendance problem of any sort, please let us know. We want to partner with you to help your child be more successful. If your student is late please have them check in with the office first. To create the least amount of disruption to the classroom, please only escort your child as far as the office for check in.
