Re: High School Principal Report January 2020

Happy New Year! As we move into the Second Semester here at HHS we are looking forward to all of the exciting things that are in store for the new year and upcoming Semester. It is important that as we start into this second semester we are starting off on the right foot academically and socially. So as we begin please keep in mind the important lessons learned through our first semester work and take advantage of the new start to the year and in each course of study. As we continue to work with PBIS in our school and district we are reviewing each of our themes throughout the second semester. This month it will be refocusing on the theme of being “Responsible”. Our hope, as it has been each month, is to continue to build up our school culture as we work with students in character building and becoming well rounded productive citizens. The academic skills along with the life skills we address on a daily basis are what we feel will help our students in reaching their dreams.

Thank you for your continued support of Homedale High School! Wishing you and your family the best in 2020!
