

JEFFERSON ELEMENTARY SCHOOL NEWS

DECEMBER 2025

What We Learned

2ND GRADERS IN AMPLIFY:

2nd graders finished their study of Ancient Greek Civilization and Greek Myths. Classes held culminating activities to celebrate!

3RD GRADERS IN ENVISION:

Students worked on using different strategies and properties to add and subtract. Students were working in groups to solve addition problems using mental math and the expansion strategy.

Praising the Positive!

Our teachers have reached out to families and written positive office referrals for our students 392 times this school year!

Upcoming Events

- Polar Express Night – Dec. 12th
- Carols with Kathy – Dec. 19th
- 2nd Quarter Celebration – Dec. 18th
- Class Parties – Dec. 19th

SKATING

JEFFERSON STUDENTS ARE HAVING A BLAST DURING THEIR CURRENT SKATING UNIT. SKATING OFFERS A FULL BODY WORKOUT FOR OUR 2ND AND 3RD GRADERS. THE SKATING UNIT IS MORE THAN JUST A FUN ACTIVITY; IT IS A CHANCE TO LEARN A LIFELONG SKILL THAT PROMOTES PHYSICAL FITNESS AND ENHANCES OVERALL COORDINATION.

OTHER NEWS...

- We continue to work on our 2nd Quarter commitment of "Readiness". This quarter, our students have committed to being whole body listeners, using self-control, and having a heart and mind ready to work and learn.
- We are planning the launch of our 3rd quarter commitment of School Safety on January 5th. Our Safety Sloth will return as a mascot for our safe students, we will have some friendly class competitions, and our kids will learn and focus on what it means to be safe at school.
- Our school donation drive is underway. To date, we've collected 425 items to donate to our local animal shelter.
