Board Policy EIAB, EIA and EIC

Due to changes in the state accountability system, board policies EIAB, EIA and EIC need to be revised. Language needs to be added to reflect the 15% rule regarding End of Course (EOC) exams.

- Board policy EIAB delete
- Board policy EIC addresses EOC exams and GPA
- Board policy EIA addresses Retakes, Special Education and Grading Practices (calculation of the EOC)

These policies have been reviewed by Amy Kadlecek at TASB and meets with her approval.

Board policies EIA and EIC are submitted for your approval.
