**Date:** February 24, 2025

---

TEC Sec. 44.008 requires the district to have an annual audit. Eide Bailly LLP has performed the District's annual audit since 2022.

In the past, the Board has voted to approve the audit engagement with Eide Bailly LLP, based on their knowledge of the District, experience with auditing school districts of similar size, and low cost of services compared to other districts on a per pupil basis.

**Impact statement:** Fees for the Audit will not exceed \$88,000.

\*\*\*\*\*

**It is recommended:** That the Board approve the Audit Engagement with Eide Bailly LLP, for the 24-25 Audit.
