Principal's General Narrative:

December was a great month. I was invited to go speak at Region 20 with a group of principals as the only high school principal to discuss how we do things in Brackett ISD. Generation Texas week was a huge success during the first week of the month. Our students participated in more virtual UIL Academic meets, as well as basketball tournaments and games. The boys won the SWTJC basketball tournament!!! We ended the first semester with a lot of success to carry into the New Year and second semester.
