3630	NETLAB HARDWARE, SOFTWARE, EQUIPMENT AND SUPPLIES Sigmanet Orlando, CA	\$65,000.00 (not to exceed)

TO: The Board of Trustees

FROM: President Cary Israel

DATE: November 26, 2013

SUBJECT: Recommendation for Approval of Reference 3630 - NetLab Hardware, Software, Equipment and Supplies.

SCOPE: Purchase of NetLab hardware, software, equipment and supplies. NetLab is an online remote laboratory, which is used by academic staff for teaching and demonstrations during lectures, and by students for conducting their experiments remotely on real laboratory equipment. Funds are provided entirely by the Department of Labor, Employment and Training Administration, Federal Grant CFDA #17.282, Award # TC-22525-11-60-A-48 and the National Science Foundation, Award #1104234, Sub-grant through Florida State College at Jacksonville.

RECOMMENDATION: Sigmanet \$65,000.00
Ontario, CA (not to exceed)

JUSTIFICATION: Sole source.

Note: Due to increasing grant purchases, this contract threshold now requires Board approval.
