

ALEDO ISD BOARD MEETING TEMPLATE

MEETING DATE: May 21, 2019

AGENDA ITEM: Consider Approval of Aledo Independent School District Resolution No. 05212019-1, Regarding State School Finance System and Local Property Taxes

PRESENTER: Dr. Susan K Bohn, Superintendent, Jessica Brown, and Forrest Collins, Members of Board Legislative Subcommittee

BACKGROUND INFORMATION

The Aledo ISD Board of Trustees and Administration have been engaged in advocating for the needs of the District's students, staff and community with state legislators during the 86th Session of the Texas Legislature. Lawmakers are currently considering significant changes to how the State's school finance system and to the State's corresponding use of local property tax value increases.

The Board of Trustees and Administration have partnered with other local governments, the Aledo Education Foundation, and the East Parker County Chamber of Commerce to discuss legislative issues that are relevant and critical to our community, and have joined together to represent the needs of our communities at the State Capitol.

Given the important work that legislators are undertaking at this time, the Board of Trustees, led by the Legislative Subcommittee, finds it important to clearly express the expectations of lawmakers of the Aledo ISD students, staff and community through the attached resolution.

FISCAL INFORMATION:
