

**\*\*\*210- Composition of the Board.** The legislature by S.1280 changed the time when a school board trustee assumes office (from July to the January 1 next succeeding his election). This policy is modified to reflect this change. In addition, language from a prior version of Idaho Code §33-501 is removed as that language was intended to clarify trustee terms when the law was changed from three- year trustee terms to four-year trustee terms in 2011. As trustee terms continue to be four-year terms, the previous language is removed to avoid any confusion. The legal reference for this policy is also updated.

The district will be governed by a board of trustees. The board of trustees of each elementary district shall consist of three (3) members and the board of each other district shall consist of five (5) members. However, the board of trustees of ~~any~~ district which has had a change in its district boundaries subsequent to June 30, 1973, may consist of no fewer than five (5) nor more than nine (9) members if the provisions are included as part of an approved proposal to redefine and change trustee zones as provided in Idaho Code §33-313.

Commencing in 201~~8~~<sup>1</sup>, a district trustee shall be elected for a term of four (4) years beginning at twelve noon on ~~July~~<sup>January</sup> 1 next succeeding his/her election.
