

Hallsville Independent School District

For the Consideration of the Board of Trustees

Date of Board Meeting: October 23, 2025

Topic: Campus Improvement Plans

Background and Rationale:

Each year, campuses are required to create and implement campus improvement plans based on student performance and other data. You have a complete copy of the plans in your packets. The plan this year aligns to the District of Innovation 7 Goals that were approved by the board in spring of 2020 and the District Improvement Plan that was approved September 2025.

2024-2025 data was collected and analyzed for this plan. A needs assessment was conducted last spring and completed after standardized test results were reported by TEA. The plan was developed with the Site Based Decision Committee (SBDM), campus leadership committees and campus administrator teams.
