PLEDGE OF ALLEGIANCE TO THE FLAG OF THE UNITED STATES OF AMERICA

MOTION TO ADOPT AGENDA

Moved by Commissioner Francisco and supported by Commissioner Osmer to adopt the agenda with the following change: 1) Move Rob Edmonds-Lifesaving Citations after the Child Care Fund Monthly Report. Motion carried.

INFORMATION ITEM: Juvenile Officer Janelle Mott presented October's Child Care Fund Monthly Reports to the Committee (attachment #1). Motion was made by Commissioner Osmer and supported by Commissioner Francisco to receive and file the Child Care Fund Monthly reports as presented. Motion carried.

INFORMATION ITEM: Alpena City Fire Chief Rob Edmonds presented a lifesaving citation to Alpena County 911 Central Dispatcher Alysse Susan for her role in a successful CPR save. Rory Sherwood and Adam Lumsden also received the lifesaving citation but were unavailable to attend the meeting. Keith Becker was working at Omni Metalcraft when coworkers noticed he was having a medical emergency. Alysse, Rory, and Adam played a huge role in the success of Mr. Becker's outcome. They were calm, professional, and reassuring to the coworkers in providing medical direction until EMS arrived. Mr. Becker and his family were present, and he expressed his gratitude to Alysse, and of the great training the dispatchers receive.

INFORMATION ITEM: Chief Edmonds presented an ambulance fund reimbursement request. Under the current ambulance service agreement between the County of Alpena and the City of Alpena there are provisions for reimbursements for drug box restocking fees and disposable supplies. Chief Edmonds reported the drug box restocking fee allows for up to \$10,000 and disposable supplies allows for up to \$22,000 in reimbursement annually. The City has incurred \$10,350 in drug box restocking fees and \$29,647.94 for disposable supplies currently for the 2023 calendar year. Chair Kozlowski noted per the contract the amount allowed in disposable supplies should be \$22,500 and asked to be provided with copies of the invoices. In the future Chair Kozlowski asked that copies of all invoices be attached for the Committee to review. Motion was made by Commissioner Kozlowski and supported by Commissioner Francisco to recommend approval of the drug box restocking fees reimbursement, to amend the amount for the disposable supply reimbursement, and to request copies of all invoices as presented. Motion carried.

ACTION ITEM #1: The Committee recommends approval of the reimbursement request from the City of Alpena in the amount of \$10,000 for drug box restocking fees and an additional \$22,500 for reimbursement of disposable EMS supplies (pending copies of all invoices) per the current Ambulance Service Agreement as presented.

INFORMATION ITEM: Emergency Management and E/911 Services Director Kim Elkie thanked Chief Edmonds for recognizing the dispatchers and gave the Committee her monthly report:

Kim reported they participated in Trunk or Treat and handed out fliers to the parents about teaching kids how to use 911.

Through the LEPC (Local Emergency Planning Committee) they are receiving just shy of \$2,800 from the state for Hazardous Material Emergency Preparedness Grant reimbursement for the 3 offsite response plans that were processed as well as a reimbursement for Deputy Director Al Rapson's time in preparing these plans.

The EOC (Emergency Operations Center) is receiving an 86" touchscreen TV from Region 7 Homeland Security which will be replacing the current TV. The current TV will be moved out to the backup EOC located at the Sheriff's Office.

Kim updated the Committee on trainings and webinars that she and the Deputy Director have attended and reported that this week the sirens are receiving their annual maintenance.

Discussion was made on the old and new towers and Kim reported she has had great feedback on the new tower's service.

INFORMATION ITEM: County Administrator Mary Catherine Hannah presented an updated Ambulance Fund Policy for review and approval. Recommendation was made to include into the policy a request for the City to provide copies of the invoices for reimbursement and to include the reimbursement requests be brought to the Courts & Public Safety Committee twice per year for review and approval. Administrator Hannah will make the necessary changes and bring back for Committee review.

INFORMATION ITEM: Administrator Hannah presented the City Ambulance Contract for discussion. The existing 4-year ambulance contract expires at the end of 2024. The current contract calls for the replacement of 2 ambulances during that period. Discussion was made to start purchasing

an ambulance every 3 years instead of every 2 years, in which the contract would change from 4 years to 6 years. City Manager Rachel Smolinski reported the current subsidy amount per contract of \$940,000 is not enough to run services. Discussion was made on amending the current contract and potentially securing an ambulance now so they will have today's pricing instead of 2025/2026 pricing. Motion was made by Commissioner Peterson and supported by Commissioner Osmer to approve the County Administrator to work with the City Manager and Fire Chief to draft an amendment to the current contract which would include no required purchase of an ambulance in 2024 and bring back for Committee review and approval as presented. A contract beginning in 2025 will be drafted and brought back to a future Courts & Public Safety Committee meeting. Motion carried.

INFORMATION ITEM: Administrator Hannah presented the Ambulance Millage ballot language for approval (attachment #2). Motion was made by Commissioner Francisco and supported by Commissioner Osmer to recommend approval of the 2024 Ambulance Millage ballot language as presented. Motion carried.

ACTION ITEM: #2: The Committee recommends approval of the 2024 Ambulance Millage ballot language as presented.

INFORMATION ITEM: Administrator Hannah presented the Ambulance Millage for renewal. The renewal would be changed from 4 years to 6 years at the current 1.5 mills and would be placed on the May 2024 ballot. Motion was made by Commissioner Peterson and supported by Commissioner Francisco to recommend approval of the Ambulance Millage renewal request as presented. Motion carried.

ACTION ITEM #3: The Committee recommends approval to renew the Ambulance Millage for 6 years at 1.5 mills to be placed on the May 2024 ballot as presented.

INFORMATION ITEM: Administrator Hannah presented a contract from Mid-Michigan Medical Examiner Group for review and approval (attachment #3). The only change is the location to which Alpena sends autopsies. Motion was made by Commissioner Osmer and supported by Commissioner Francisco to recommend approval of the new contract as presented. Motion carried.

ACTION ITEM #4: The Committee recommends approval of the contract from Mid-Michigan Medical Examiner changing the location to which Alpena sends autopsies as presented.

INFORMATION ITEM: Chair Kozlowski presented discussion on the replacement of the Sheriff's Office current 800MHz radios. Administrator Hannah reported during this morning's Budget Workshop discussion was made which reduced the amount going into the 631 Equipment and Replacement Fund from \$200,000 to \$100,000 for radios. The Sheriff could purchase a portion of the radios. The final 2024 budget has not yet passed.

INFORMATION ITEM: Chair Kozlowski presented the Ambulance Fund Monthly Report to receive and file. Motion was made by Commissioner Francisco and supported by Commissioner Osmer to receive and file the monthly Ambulance Fund Report as presented. Motion carried.

INFORMATION ITEM: Chair Kozlowski presented the Medical Examiners Monthly Reports to receive and file. Motion was made by Commissioner Francisco and supported by Commissioner Osmer to receive and file the Medical Examiners Monthly Reports as presented. Motion carried.

INFORMATION ITEM: Chair Kozlowski presented the Veterans Affairs Monthly Report to receive and file. Motion was made by Commissioner Francisco and supported by Commissioner Osmer to receive and file the Veterans Affairs Monthly Report as presented. Motion carried.

OTHER DISCUSSION: Chair Kozlowski presented discussion on the attorney contract and asked Attorney Christie VanMassenhove to come up and address the Committee. Christie introduced herself as one of the contracted attorneys that represents children and their best interest in court. Christie reported the current contracted attorneys had a Teams meeting with the County Administrator and all expressed interest in continuing the contract. Christie expressed her concerns for more transparency and better communication between the County and the contracted attorneys. Administrator Hannah recommended drafting separate contracts for each attorney rather than one contract for all. After the attorneys approve their versions of the contracts Administrator Hannah will bring the contracts back to the Finance, Ways & Means Committee Meeting in December.

***Next Meeting: Monday, December 18, 2023 at 4:00 p.m. in the Howard Male Conference Room/Zoom Room**

ADJOURNMENT
