BIG SKY COLONY SCHOOL

Submitted by: Ellen Christoferson & Jackie Racine

The rangers gave a lesson on what bears eat and did an activity to determine whether or not a bear could survive based on its diet before hibernation. The eighth graders took over the duties of decorating the tree and the entryway. All students displayed some of their artwork to make our schoolroom especially festive for our Christmas performance. We have been practicing for our performance all month. We had a wonderful attendance of both colony members and Browning administration. The students were pleased with the laughter from the audience. We are all looking forward to a break and the new year.

Happy New Year,
Ms. Racine
Mrs. Christofer
