Thanks James. You don't need to be at the board meeting.

Kathie,

Will you add this to the May board agenda and get what you need from James and Ryan?

Best,

Hi Tyler,

I am tentatively setting up a trip to take the Track and Field throwers to a camp in Idaho from July 6-10. We need board permission to take kids out of state, but I think this is done in session and I am not sure I need to go to the board meeting to pitch it unless you want me to. If you can put this on the agenda for the next board meeting let me know.
