A contractor or sub-contractor may not work on District property or any location the District deems a place where students are regularly present when *they have been convicted of a felony or misdemeanor involving moral turpitude, as defined by Texas law or any other offense the District believes might compromise the safety of student, staff or property.

A Proposer's violation of this section shall constitute substantial failure. If the Proposer is the person or owner or operator of the business entity, that individual may not self-certify regarding the criminal history record information and its review, and must submit original evidence acceptable to the district with this Agreement showing compliance.
