RE: **K-9 Detection Services Agreement (2015-2016 School Year)**

Dear Mr. Armstrong:

Thank you for your continued patronage. We are truly grateful for the opportunity to provide your district with the very best contraband deterrent system available. **Your student and faculty's safety is, and will always be, our #1 priority.**

As you may know, Interquest is the only canine detection company in the Texas Panhandle that utilizes specialty trained canines to sniff out *drugs (includes many forms of K2), alcohol, deadly prescription medications, guns, ammunition, gunpowder based explosives, food based THC edibles, as well as THC based liquids/oils/vapors.* Each year we go through a rigorous national certification process to ensure that we are using the very best detection canines available.

As the Nation's oldest and most recognized canine detection company, Interquest knows first-hand that a strong deterrent program can not only lead to safer campuses, but an increase in school revenue. Our studies continue to quantitatively show an **increase in revenues for schools that utilize OUR contraband deterrent program** by reducing the number of suspensions and expulsions associated with prohibited contraband found on campus thus increasing average daily attendance.

Over the past school year, the Colorado Marijuana legalization law has made various forms of THC much more accessible to students in the Texas Panhandle. With a continued focus on campus safety, we have invested heavily in additional canine teams and educational programs designed to tackle these issues head on.

Enclosed you will find our proposed canine service agreements for the 2015-2016 school year. Please note that the number of visits conducted for the present school year remains unchanged. *Should you like to increase the number of visits this next school year, simply notate your desired number of visits on the contract and we will make the adjustment on our end.* Once approved, please return one copy of the agreement in the enclosed envelope while retaining a copy for your files.

In closing, I would like to thank you once again for your continued partnership. We look forward to working closely with you and your great staff again next year. If there is anything we can do to better serve you, please do not hesitate to call me directly at 806.681.0124

Sincerely,

Jed C. Dwyer

# Interquest Detection Canines® of Northwest Texas

## Sunray ISD ("The District")

This shall serve as an agreement by and between J.C. Dwyer Enterprises LLC, dba, Interquest Detection Canines® of Northwest Texas, (INTERQUEST) and the DISTRICT for substance awareness and detection services for the period of **August 2015 thru May 2016**

It is understood that the DISTRICT has established and communicated a policy clearly defining contraband as all drugs of abuse (in the broadest terms), alcoholic beverages, firearms and ammunition, prescription and over-the-counter medication, and that this policy has been disseminated to all campus locations. Violations are considered inimical to the welfare of students and contrary to the DISTRICT'S desire to foster an atmosphere conducive to safety and education.

INTERQUEST shall provide contraband inspection services utilizing non-aggressive contraband detection canines. Such inspections may be conducted on an unannounced basis under the auspices and direction of the DISTRICT administration with INTERQUEST acting as an agent of the DISTRICT while conducting such inspections. Communal areas, lockers, gym areas, parking lots (automobiles), grounds, and other select areas as directed by DISTRICT officials, shall be subject to inspection. Contraband detected on DISTRICT property is the responsibility of the DISTRICT. Suspected drugs of abuse may be field-tested to provide preliminary or presumptive identification of the drug.

INTERQUEST agrees to provide **10 half-day** visits for the contract period. The DISTRICT may increase the total number of visits by notifying INTERQUEST in writing. Each visit will be **\$250/visit**. Multiple canine teams will be charged on a per team basis. DA required court testimony on behalf of the DISTRICT will be charged at the same rate. INTERQUEST will invoice for service on a monthly basis at the conclusion of the service month. The DISTRICT agrees to pay for services within thirty (30) days of receipt of such invoice.

INTERQUEST will schedule DISTRICT visits in conjunction with days designated by the DISTRICT as appropriate for visits. The District will provide a school calendar with inappropriate dates for service noted. This calendar will serve as an addendum to the Agreement. All other dates will be considered acceptable for visits. DISTRICT will be responsible for payment for any visit made on any day other than those days noted as unacceptable on the attached school calendar.
