The students at Washington School Celebrated the birthday of Dr. Seuss on March 2. Classroom activities and events (including drawing The Cat in the Hat, making Oobleck, a Wacky Wednesday, a crazy socks day and the eating of Green Eggs & Ham.... (And a WHOLE LOT OF READING AND RHYMING) happened all week long. Look on the web site for details and some more really cool pictures of the fun!

PS- it not all fun and games around here.....Students used this hands on graphing project to discuss math concepts- more, less, how many more, how many less, greater than, less than and equal to once they had completed the taste test. Overwhelmingly they predicted it was going to be gross (by the looks) but that it was actually delicious!

Mrs. Morrell's second grade class has been busy racing the 2021 Iditarod. The students each researched a musher to follow throughout the race. Each day they go online to check where their musher is in the race. The students also researched the history of the Iditarod through many interesting books. The whole class will celebrate finishing the race by watching the movie Balto.
