

SCHOOL BOARD MEETING REPORT

Board Meeting Date: 13-Jul-09

Agenda #

Staff/Administrator: Dan Huber-Kantola

Superintendent: Dan Huber-Kantola

Type of Item: ☐ Informational ☒ Action

Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?

PSI is company located in Merlin. They are working on developing a software system to help protect schools in emergency situations such as fires and intruders.

Provide history/background information on your proposal.

Sheriff Gilbertson approached us last fall about a project being developed by people in our community that would potentially help schools and emergency responders work together more effectively. This company is seeking permission to have North Valley High School serve as one of three BETA sights for the software.

List the advantages of your proposal:

There is no cost to the district. We will potentially be helping with the process of developing a system that will make students safer at school. We may be helping a local company develop jobs within our school district.

List possible disadvantages of your proposal:

List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?

Allow the system to be tested in another school district.

Superintendent's recommendation(s):

Approve: Yes ☒ No ☐
