RE: OFFICIAL NOTIFICATION FROM ODE DISTRICT/PROGRAM COMPLIANCE FINDINGS FFY 2015 (15-16 School Year)

Dear Superintendent:

Thank you for your ongoing work in support of special education compliance. We realize it takes the effort of many people each year to complete the special education procedural compliance data for the Oregon Department of Education (ODE). ODE reviews your district's data for compliance with federal and state special education regulations and provides notification of findings (compliance and noncompliance). We appreciate your submission of the FFY 2015 Procedural Compliance Review (PCR) data related to the Oregon State Performance Plan (SPP) and Annual Performance Report (APR). ODE has reviewed your submission and is providing this notification of findings as per Memo 09-02 from the Office of Special Education and Rehabilitative Services.

Attached is a list of second year noncompliant standards from your FFY 2014 PCR submission and new noncompliant standards from your FFY 2015 PCR submission. Findings are based on program self-analysis, ODE verification, and program submission of evidence of correction. Findings are listed by standard and reference the relevant state or federal regulation. The text of individual standards listed in the findings can be reviewed in the following link:

[School Age PCR Form](#)

Please note:

- 1) All findings for 2014-2015 (submitted February 2015) that have not been corrected are second year noncompliance and must be corrected as soon as possible.
- 2) All findings for 2015-2016 (submitted February 2016) that have not been corrected will need to be corrected as soon as possible but no later than one year from receipt of this notice, April 14, 2017.

Please contact your ODE county contact if you have questions:

<http://www.ode.state.or.us/schoolimprovement/accountability/monitoring/countycontacts.doc>

If there are no attachments with this letter, your district had no compliance issues during this current review.

Sincerely,

Sarah Drinkwater, Ph.D.

Assistant Superintendent

Office of Student Services

Neah-Kah-Nie SD (2015-16)
PCR Correction

No PCR Correction found for past two years as of April 1, 2016
