

MEETING DATE: February 28, 2022

AGENDA ITEM: Middle-of-Year (MOY) Screener Data

PRESENTER: Candace Summerhill, Director of Assessment & Accountability

BACKGROUND INFORMATION:

- Universal screeners are given to all students within the same grade level to
 determine reading and math proficiency levels. These results are used to
 determine if a student is on, above or below grade level in foundational
 skills. Students who are identified as significantly below grade level are further
 reviewed by the site-based committee for Tier 3 interventions based on multiple
 data sources.
- Aledo ISD measures academic progress in reading and math utilizing the following universal screeners:
 - o Circle Progress Monitoring: Pre-K reading and math
 - mCLASS Texas: K-2 reading
 - Developmental Reading Assessment: K-2 reading
 - o IXL Diagnostic: K-2 math
 - o MAP Growth: 3-10 reading and math
- Students take the universal screener three times per year (beginning, middle, end of year) to measure students' proficiency levels in math and reading.
- Assessment results provide teachers and students with data to facilitate meaningful progress.
- District-wide patterns and trends will be presented to the Board of Trustees comparing assessment results from the beginning of year to middle of year in reading and math.
