

High School Board Report - January

ACADEMICS & COLLEGE AND CAREER READINESS

- The students took part in the Illinois Youth Survey. The Illinois Youth Survey looks at a variety of health and social indicators, including substance use and perceptions, bullying, school climate, nutrition, and physical activity.
- Erin's Law Presentations will be on January 26th and 27th. Erin's Law Presentations are an age-appropriate educational session in public schools, teaching students about child sexual abuse prevention, empowering them to recognize unsafe situations, identify private parts, understand safe/unsafe touches, and report concerns to trusted adults, using universal safety rules and fostering open communication.
- The student will be taking the practice ACT on our 11:30 dismissal on January 28th to help prepare them for the ACT in the spring.

ATHLETICS & EXTRACURRICULARS

- The girls' and boys' basketball trip to Indiana was a great success. Many memories were made, even beyond playing the games in the Hoosier Gym. The kids loved playing games in the hotel lobby, eating pizza, and spending time in the hotel pool and hot tub. The students also got to experience a private tour of Lucas Oil Stadium. The students were wonderful! Ryan has had several surrounding schools reach out about how they can plan their own game at Hoosier Gym.
- Our Winter Concert was on Wednesday, January 14th, at 6:00.
