FOLEY ELEMENTARY SCHOOL
"Helping Students Succeed Every Step of the Way"

Adam Kluver, Principal

FES May 2025 School Board Update

2025-2026 Class Lists

Teachers are working on placing preK-3 students on class lists for the next school year. Completing the student placement process is always challenging, so I want to thank our teaching staff for meeting and going through this annual process. Parents were allowed to share general information about their child that could be helpful for placement, but were asked to refrain from requesting specific teachers. This will enable teachers to use their professional judgment in the placement process and provide greater flexibility in making even and balanced classes. Parents will be notified via email of their child's teacher in early August.

Summer School

We continue to finalize plans for our summer school Targeted Services and Extended School Year programs for K-3 students. Summer school classes will be held on Mondays, Tuesdays, and Wednesdays from 8:30 am to 11:30 am in the elementary school. Summer school is scheduled to begin on Monday, June 9, and end on Wednesday, June 25.

Targeted Services students will receive pre-teaching instruction for content in the grade level they will be going into, rather than reteaching instruction in content from the grade level they just finished. We believe pre-teaching helps students be more successful in the school year ahead. An example of this is that current first-grade students recommended for the program will receive instruction in second-grade content.

Upcoming Events at FES
