Item Name: Exclusive Beverage Rights, Inclusive of Vending Machines RFP

Item Summary: An exclusive rights agreement is a contract between two entities that grants one entity exclusive rights to some type of operations, goods, or services that is of mutual benefit to both entities. This type of agreement can be advantageous for both parties because it limits competition from other vendors.

The agreements are typically long-term contracts covering multiple years with an option for renewal at the end of each term. The length of time in which exclusivity is granted varies depending on the terms.

Recommendation: I recommend the board accept the selected bid for exclusive beverage rights, inclusive of vending machines.
