Subject: Freshman (Class of 2030) Sponsor

I would like to recommend Jes Sidwell as the Freshman Class sponsor for 2026-27. I will say I have discussed this with Jes as well as Bree Kerley. Jes intends to sponsor this class for the 26/27 year only. After that Bree (who is currently the senior class sponsor) will shift down and take over this class as her niece is part of the class.

Please let me know if you have any questions.
