

School Board Meeting Agenda Item

Topic: Non-Renewals
Presenter(s): Bob Jaszczak, Superintendent

Nature of Action Requested

Board Action X
Board Information

Background Information

Each year, the board considers non-renewal of probationary teachers. The list may also include a number of Tier 2 teachers, number of teachers hired on an Out-of-Field Permission (OFP) from the State, and the need to reconcile the budget.

Please note the following:

- Reductions typically reflect full-time positions unless otherwise noted.
- Tier 1 and Tier 2 teachers must be non-renewed on a year basis.
- The administrative team may partially reinstate part-time reductions depending on the RWHS class schedule and needs.
- A position held by someone with an Out-of-Field Permission (OFP) position needs a 60-day posting for a renewal unless the Board of Teaching waives this requirement.
- The number of non-renewals may not match the number of positions being reduced because this list does not include teachers who retired, resigned, or transferred to other positions.
- Teachers are eligible to reapply for positions as they are posted.
