TRANSPORTATION SERVICES

In the budgeting process, the Governing Board may grant appropriations for vehicles and other transportation services. This may include contracts for electric vehicles as stated in A.R.S. §15-923.

Allowable Vehicles

A school district or charter school in Arizona or a privately owned and operated entity that is contracted for compensation with a school district or charter school in Arizona may use a motor vehicle that is designed to carry at least eleven (11) and not more than fifteen (15) passengers or a motor vehicle that is designed as a type A school bus or type B school bus as defined by the Department of Public Safety to carry at least eleven (11) and up to fifteen (15) passengers to transport students to or from home or school on a regularly scheduled basis in accordance with the safety rules adopted by the Department of Public Safety pursuant to sections §28-900 and §28-3228.

Transportation of students is a privilege extended to students in the District, and is not a statutory requirement except for necessary transportation of students with disabilities as indicated in their respective individual education programs.

The responsibility for the operation of student transportation shall be vested in the Superintendent. Reasonable efforts shall be made to eliminate any particular hazards that might adversely affect the safety and welfare of any student.
