If your card is declined and payment does not go through, a \$15.00 fee will be assigned to your account. This fee will be attached to your next invoice. If payment is not made by the date listed on the invoice, your child's enrollment in Kids Club will be suspended until the balance is paid in full.

FINDERS FEE - SCHOOL DAYS ONLY

The safety of the children is a primary concern of staff. Please contact the Kids Club phone at 218-513-9728 if your child will not be attending as scheduled after school. If your child does not arrive at Kids Club on a scheduled school day and you have not communicated with Kids Club about the change **before 2:00 PM on that day**, a finders fee of \$10.00 will be charged to your account per occurrence. If staff has to search for your child (calling the office, a teacher or parent), a 'finders fee' will be assessed. A note to your child's school teacher is not a sufficient notice. It is **your** responsibility to contact the Kids Club phone and talk to staff or leave a voicemail.

LATE PICK-UP FEE

Please remember that our program closes at 5:30 PM each day. There will be a \$15.00 charge starting at 5:30 PM for every 15 minutes after 5:30 PM that your child is not picked up. Late pick-up fees must be paid with the next week's invoice. After 3 late pick-up occurrences, we reserve the right to end your child's enrollment in Kids Club. As a courtesy to our staff, please call the Kids Club phone number if you are going to be late.

WITHDRAWAL FROM THE PROGRAM

A one-week written notice is required when a child is being withdrawn from the program. A written notice can be emailed or dropped off at the Community Education office. If a balance remains on your childcare account, you will be responsible for paying it in full.

FEDERAL TAX ID#: 41-6000001

Tax statements are available for families through our registration software Eleyo. If you log into your account, you will be able to pull your tax statements.

GENERAL INFORMATION

RESTROOM GUIDELINES

All children in our Kids Club program must be toilet trained. We provide regular opportunities during the day for children to use the restroom. Children must be able to request to use the restroom independently as needed.

MEALS

Kids Club does provide meals through the school each day, when school is in session. Meals will not be provided on non-school days during the school year.

In the summer, there will be 6 weeks that meals will be provided (through the free summer lunch program), when the summer lunch program is not in session, you will be responsible to send your child with a cold lunch from home.

SNACKS

Kids Club provides a snack each day during nonschool/summer. An after-school snack is provided on school days.

DRESS

Children should be adequately dressed for indoor and outdoor activities. Outer clothing and boots should be labeled with the child's name. Tennis shoes should be worn. The guidelines of the school will be followed for winter wear. An extra change of clothes should be readily available, regardless of the child's age.

SPECIAL NEEDS

Each child brings their own uniqueness to the program. If your child receives services through Special Education or has a behavior plan developed, please contact the Kids Club Coordinator at 218-927-7736 or nhenline@isd1.org. A meeting will be set up with you, the appropriate school staff, and other professionals involved with your child to do an individualized assessment

regarding your child's participation at Kids Club. This meeting will determine if Kids Club is an appropriate and safe setting for your child to succeed. If it is determined that placement will be safe, appropriate and successful, a plan will be developed for the appropriate level of support. The child's start date may be delayed due to the hiring of additional staff with the skill set necessary to meet your child's needs.

Information regarding a student's needs will not prohibit a child's enrollment unless it is determined that the child's presence would pose a direct threat to the health or safety of others or requires a fundamental alteration of the program.

SUMMER CARE

Kids Club is active during the summer program. We participate in some walking and possible bus field trips. Please send appropriate clothing and shoes with your child.

- Students **MUST** arrive at Kids Club with sunscreen applied (at home). We will reapply as needed throughout the day. ***If your child needs "special" sunscreen, you must send a labeled bottle to Kids Club.**
- Change of clothing (for water activities/spills/accidents)
- Dress your child in layers so he/she is prepared for the weather and temperature. Make sure to send a sweatshirt or jacket.
- Bring a book to read (for children in grades 2 +), we do a "calm" reading/story time every day with the kids (after lunch)
- Bring a labeled water bottle ****VERY IMPORTANT**
- Please do not send your child in flip-flops. Sandals with straps are allowed.

WATER ACTIVITY DAYS

- Appropriate swimwear
- A towel

PHOTO CONSENT

Please know that photos will be taken during Kids Club throughout the year. Unless you notify Community Education in advance, photos taken during Kid Club activities may be used in Aitkin Public Schools publications.

ANIMALS

Please do not bring any animals, insects or reptiles to Kids Club.

TOYS

Please do not bring any toys from home. Kids Club will have toys available for children to play with.

ELECTRONICS

Please do not bring electronics from home (this includes phones/smart devices, **unless** medically necessary). Any electronic devices that are brought to Kid Club will be kept in the student's cubby. Kids Club is not responsible for lost or stolen devices.

TRANSPORTATION TO CHILD CARE

Transportation of children to and from Kids Club is the responsibility of the parents. Staff will not pick up or take children home.

BEHAVIOR

Kids Club strives to maintain a positive approach to managing children's behavior at all times. Staff members establish and enforce clear and consistent limits and expectations for appropriate behavior.

Staff members will foster a positive relationship by making connections, creating a positive environment, and role modeling. When positive behavior is displayed, the reward is positive reinforcement, participation, and enjoyment of planned activities.

BEHAVIOR EXPECTATIONS

- Keep hands, feet, and objects to yourself
- Follow directions and be respectful of everyone
- Use appropriate language
- Respect other people and property
- Remain with a staff member at all times and notify them if you need to go to another area

Staff members deal with inappropriate behavior through various techniques including reasoning, distraction and redirection, adjusting the environment, natural and logical consequences, cooperative problem solving, and removal from the activity/area.

INAPPROPRIATE AND HARMFUL BEHAVIOR

If at any time a child exhibits behavior that directly or indirectly threatens a person's right to be safe (aggression, threats, disrespectful language, harassing behavior, inappropriate touching of a person's body or belongings, inappropriate gestures, etc.) or behavior that inhibits the staff from fulfilling their ability to be available for all children, a behavior incident report will be filled out. These reports help us to track behavior to better help the child with managing their choices and serve as a record for parents and staff. Staff will discuss the behavior

with the child to help correct the behavior and the parent will be informed by either a phone call or staff discussion at the end of the day. The parent will sign the incident report.

The program reserves the right to speak with appropriate school personnel regarding a child's behavior in an effort to help the child make better choices.

If a child receives 3 incident reports, there will be a conference between the Kids Club Coordinator, parents, and child to discuss the behavior(s) and possible solutions.

If child's behavior doesn't change, the child will no longer be allowed to participate in our child care program. We reserve the right to bypass the above behavior steps at any time and remove a child from our care for reasons of safety. If a parent is called to pick up a child for behavior, the child must be picked up within one hour.

RUNAWAY POLICY

If a child leaves the designated childcare area without permission from staff members, the following procedure will be followed:

A staff member will alert the rest of the staff members and will look for the child and bring the child back to the area. A parent will be notified and asked to pick up the child immediately. The event will be documented. Child care will be suspended for 3 days. A meeting will be arranged between the parent, child, and coordinator before the child may return to the program. A behavior contract will be written.

If the running away is repeated, staff will ensure the safety of the child and the child will no longer be allowed to participate in our child care program.

If staff members are unable to locate the child, the police will be notified. A parent will be informed and asked to aid in the search for the child. When the child is found, the parent will be asked to take the child home. The child will no longer be allowed to participate in our child care program.

HEALTH SERVICES AND EMERGENCIES

FAMILY EMERGENCY CONTACTS

Each child is required to have two emergency contacts on file. It is your responsibility to keep your child(ren)'s information up to date. If there is a change in your address, phone number, email address, people authorized to pick up, or

emergency contacts, please let us know as soon as possible. This is the information we use should an emergency situation come up.

ACCIDENT REPORT

An accident report will be completed if a child is injured. Staff will share the report with the person picking up the child and have it signed by the adult. If your child receives a head injury, staff will call to inform you of the accident. Head injuries can be a very serious matter. For more information on concussion management, please go to www.cdc.gov.

EXCLUSION OF SICK CHILDREN

A child with any of the following conditions or behaviors is considered a sick child and must be excluded from participation in Kids Club. If your child becomes ill during care, Kids Club staff will supervise and isolate your child from other children in the program and immediately notify you or a legal guardian to arrange pick up. Isolating a sick child from other children in the program does not mean the child must be in a separate space. It means the child should not be actively participating in activities with other children while waiting to be picked up.

- Fever of 100 degrees F or higher before giving fever-reducing medication.
- Child has a reportable illness or condition and has not had sufficient treatment to reduce the health risk to others.
- Chickenpox until the child is no longer infectious or until the lesions are crusted over.
- Vomiting two or more times in the previous 24 hours.
- Having three or more abnormally loose stools (diarrhea) in a 24-hour period.
- Conjunctivitis or pus draining from the eye(s).
- Head Lice, ringworm, or scabies that is untreated and contagious to others.
- Inability to participate in the child care program with reasonable discomfort or unexpected lethargy.
- Undiagnosed rash.
- Significant respiratory distress.

Please note: *A child must be fever-free without fever-reducing medication for 24 hours to attend Kids Club. If a child has gone to the doctor and started a prescription, they must be fever free for 12 hours after taking the medication before returning to Kids Club.*

EMERGENCIES

The safety of the children is our first concern. By signing the membership form, you are giving Kids Club staff authorization to take emergency medical measures. If a medical emergency occurs, Kids Club staff will attempt to contact the

parent(s)/guardian(s). If parent(s)/guardian(s) can not be reached, staff will take whatever emergency medical measures necessary for the care of the child.

Kids Club participants and staff will participate in safety drills throughout the year (fire, tornado, and lockdown).

MEDICATION

Kids Club is not permitted to disperse medication.

ALLERGIES

Kids Club requires an allergy to be listed when enrolling by a child's parent or legal guardian during the registration process. If a child has an allergy action plan, a copy is required. Information must be updated annually at the start of each session or if there are changes in the information.

Kids Club staff will be informed of a child's allergy(ies) and the above information.

MANDATORY REPORTING

Kids Club will comply with the reporting requirements for abuse and neglect specified in Minn. Stat. 245H.11.Section 626.556.

STUDENT PICK UP AND DROP OFF

SIGN-IN AND SIGN-OUT

Communication is an essential part of successful enrollment in the program. Daily contact between parents and staff provides an opportunity to ask questions and discuss your child's experience at our program.

When dropping off your child(ren), a parent/guardian must bring the child(ren) into the center and connect with Kids Club staff to have them checked in.
