Choir students in grades 6, 7 and 8 also performed for friends and family at the final concert of the season!

STUDENTS OF THE WEEK!

P.B.I.S

Middle School students, who met all criteria and expectations, were able to choose Zero Gravity Trampoline Park or Valley Fair for the Spring Reward Trip.

8TH GRADE CAREER DAY RETURNS!

Students in grade 8 enjoyed the return of Career Day! Students were able to choose a job to shadow for the day and learn the ropes! Students spent time calling an "employer" to secure a job location, filled out interview packets and shared overall experience with a panel of peers.

LENDING A HELPING HAND

8th grade students, with passing grades and excellent behavior, helped with the Elementary Metric Meets. The students recorded times, handed out medals and assisted where teachers needed.
