

BOARD OF SCHOOL TRUSTEES

KELLER INDEPENDENT SCHOOL DISTRICT

**10C.** Action **Date: January 28, 2010**

**SUBJECT:** APPROVAL OF ARCHITECT AND PROTOTYPE DESIGN FOR ELEMENTARY SCHOOL #22

**BOARD GOAL:** All systems in the Keller Independent School District will be effective, efficient, and accountable in support of the district's mission.

**FISCAL NOTE:** 2008 Bond Funds

**Background Information:**

- A new Elementary School Campus was proposed and approved in the November 2008 Bond Election. It is necessary to select an architectural firm to prepare contract documents for this building project.

**Administrative Considerations:**

- Since growth necessitates the school to open in 2011, we will need to start construction this summer.
- The Administration has determined that the most timely and cost effective design will be to adapt the current elementary prototype, which was developed by VLK Architects.
- The use of the prototype design for Elementary #22 has been discussed with the Citizen's Bond Oversight Committee.

**Communication Deployment:**

- Citizen's Bond Oversight Committee
- Board Meeting Minutes

+++++

**The Administration recommends the Board of Trustees approve the selection of VLK Architects and the use of the prototype design for New Elementary School #22.**

Respectfully submitted,

Hudson Huff  
Director of Construction Services
