Re: 2026-2027 Calendar Adoption

The District Education Improvement Committee (DEIC) was utilized as the group to gather input and develop calendar options for the 2026-2027 school year. This group is comprised of 85+ members including representatives from all campuses, parents, business leaders, community leaders, board members, and central office staff. For this adoption, the entire DEIC handled the detail work of creating calendar options within legal requirements and considering input received from all stakeholders. This work culminated with four calendar options being shared on the CISD website for ranking and input from all CISD stakeholders. The work of the DEIC as well as input received has resulted in one calendar option being recommended for 2026-2027. The calendar being recommended for 2026-2027 is attached for your review.

Recommendation: The Coppel ISD Board of Trustees approve the proposed calendar for the 2026-2027 school year as presented.

An appropriate motion for Board action on the calendar adoptions is as follows:

“I move that the Board approve the proposed calendar for 2026-2027 school year as presented.”
