RE: REQUEST TO APPROVE AR SOFTWARE SOLUTION

I am submitting the attached Renaissance Learning – Accelerated Reader Enterprise solution proposal for School Board consideration and approval. The current server-based Accelerated Reader solution has been utilized by students and teachers for many years in support of the current reading curriculum. This new proposal will allow all campuses to migrate to the new web-based Accelerated Reader Enterprise platform which provides access to over 150,000 reading practice, vocabulary, literacy skills and textbook quizzes. Renaissance Learning will also provide website hosting, data backup and software update/upgrade services.

Please do not hesitate to contact me should you have any questions or concerns.
