

SCHOOL BOARD MEETING REPORT

Board Meeting Date: November

Agenda #

Staff/Administrator: Wayne Brown

Superintendent: Dan Huber-Kantola

Type of Item: Informational Action

Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?

Wayne Brown will be traveling to San Diego the next two years in January to attend and present research completed by his high school science students. The presentation will be to the partners in Nation Science Conference in San Diego January 15- 19.

Provide history/background information on your proposal.

For the past three years Wayne Brown has been working with the national Primate Research Center in Beaverton, Oregon on Reproductive Studies. He will attend the conference for the next two years in San Diego, California to present research that is being used with grant funds at Hidden Valley High School.

List the advantages of your proposal:

We have a grant of \$7,000, there will be no cost to the School District. The students will have the experience of real science studies here at Hidden Valley High School. I will be gone 3 days, Jan 17 - 19 for the conference which is a three day weekend. The time will be well spent, the material I bring back will be important for my science students.

List possible disadvantages of your proposal:

List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?

(None) The disadvantage is grant funds which have been spent to buy Genetic's equipment would have to be returned and the grant would have to be refunded as agreed by the previous superintendent. These dates are set and there are no other alternate dates available. This is a once a year conference.
